In Kee Kim

Current Position: Associate Professor, University of Georgia
Address: 802 Boyd GSRC, D. W. Brooks Drive, Athens, GA 30602
Phone: (706) 542-2911
Email: inkee.kim@uga.edu
Website: https://inkeekim.github.io/

Research Interests

My research focuses on optimizing computing systems across edge-to-cloud continuum, with emphasis on:

- **Edge AI**: Model compression, AI scheduling, and AI multi-tenancy for resource-constrained devices
- **Performance Engineering**: Reproducible benchmarking and predictive models for edge-cloud systems
- **Distributed/Cloud Computing**: Edge-cloud collab., serverless workflows, and adaptive resource allocation
- **System Optimization**: Hardware-aware algorithms and SW/HW co-design for edge inference acceleration
- **Sustainable IoT Systems**: Energy-efficient edge computing and environmental monitoring applications

Academic Appointment

2024 – Current	Associate ('24 -), Assistant ('18 - '24) Professor, School of Computing, *University of Georgia*
2018 – Current	Affiliated Faculty, Institute for Artificial Intelligence, *University of Georgia*
2022 – Current	Affiliated Faculty, Institute for Integrative Precision Agriculture, *University of Georgia*

Education

Ph.D.	Computer Science, University of Virginia
M.S.	Computer Science and Engineering, Inha University
B.S.	Computer Science and Engineering, Inha University

Publications

REFEREED CONFERENCE PUBLICATIONS
